➤ Agenda topic to be discussed at this meeting

**7:20-8:15 PM**      Guest Speaker:      Mr. Tim Roesch

**Subject: An open discussion and understanding of our Bill of Rights.**

Understanding of the US Constitution takes some lessons in History. If one does not understand history, then one could be misled to believe the US Constitution means something it is not.

Now let us discuss the Bill of Rights and understand the answers to the following questions:

1. There are two amendments that, if they had not been added to the Bill of Rights, would have resulted in the US Constitution NOT being ratified; which are they?
2. Does the First Amendment guarantee a separation of church and state?
3. Isn't a militia like the National Guard?
4. Isn't the third amendment a waste of ink; not relevant in today's world?

**Note:** *Bring friends and let's discuss this country's most important document.*

**8:15 – 8:45 PM**      Q and A from the audience

**8:45– 9:00 PM**      Closing comments

**9:00 PM**      Adjourn Clean and wrap-Up (Pass the hat for donations /Future Tea Party Expenses).
